The pain

Hint: centralize your infra. management

Managing systems

A person is sitting on a wooden bench, their hands clasped in their lap. They are wearing a dark jacket and pants. The background is a dark, textured wall, possibly made of stone or concrete. The lighting is low, creating a somber and contemplative atmosphere. The text 'Managing systems' is overlaid on the left side of the image in a large, white, serif font.

Managing configur

A person is sitting on a wooden bench in a dark, textured environment, possibly a stone wall or a cave. The person is wearing a dark jacket and has their hands clasped in their lap. The lighting is low, creating a somber and contemplative mood. The background is a rough, stone-like surface.

A person is sitting on a wooden bench in a dark, textured environment. The person is wearing a dark jacket and is looking down. The background is a rough, stone-like wall. The overall mood is somber and contemplative.

Managing physical hosts

A person is sitting on a wooden bench in a dark, textured environment. The person is wearing a dark jacket and is looking down. The background is a rough, stone-like wall. The overall mood is somber and contemplative.

Managing virtual hosts

A person is sitting on a wooden bench in a dark, textured environment. The person is wearing a dark jacket and has their hands clasped in their lap. The background is a rough, stone-like wall. The overall mood is somber and contemplative.
